IMMEDIATE/SECRET

D.O.No.12/5/50-AIS.

New Delhi, the 30th January 1950.

My dear Srinivasan,

Please refer to my demi-official letter No.12/3/49-AIS, dated the 31st Dec.1949, regarding the selection of State Officers for the Indian Administrative Service and Indian Police Service. As the work of the selection of State Officers for these two services is being undertaken by the Special Recruitment Board, I would request that all further communications on the subject may be addressed to me and not to the Secretary, Union Public Service Commission.

2. It is presumed that confidential records are maintained for all the State Officers proposed to be considered for appointment to the Indian Administrative Service and Indian Police Service. We are not aware, however, whether such records are maintained in English or in any other local State language. If they are maintained in any language other than English, it will be of great assistance to us if you could get the remarks appearing in the records translated into English and have the English translation appended to the records in the same form as the originals appear therein, indicating clearly the original referred to in each case. If, however, this is not possible for you we shall have the records translated locally here. In any case, I shall be grateful if you could send on the records of the officers to be interviewed by the Board, to us by the third week of February at the latest, for the members of the Board would like to study them before interviewing the officers.

3. I am sending herewith a copy of a proforma which we have prepared. I shall be grateful if you could get the required number of copies made and ask every officer who is to appear before the Board to fill it in. It may not be possible to check up all the information given by the officers in this form, but as much of the information as can be verified may be so verified by a responsible officer nominated for the purpose by your Government. I shall be grateful if all the forms duly completed and verified are sent to me by the date referred to.

4. The Board has not yet finalised the programme for visiting the various States for interviewing the selected candidates, but it may be possible for the Board to visit Mysore in the first half of March. I shall let you know as soon as a programme is finally drawn up. In the meantime, action may please be taken as indicated in paragraphs 2 and 3 above.

Yours sincerely,

Sir,

With reference to your letter No.11608/C.B. dated 27-2-1950 (received by me today) forwarding 34 forms relating to Officers in the cadre of Deputy Commissioners and above and 83 forms relating to Officers in the cadre of Assistant Commissioners for verification of service particulars, I have the honour to state as follows:-

1. The printed History of Services of Gazetted Officers in Mysore is in existence corrected upto 30th June 1946. The History Sheets of the Officers sent by you can therefore be very conveniently verified in your office with reference to the printed record upto 30-6-1946.

2. I am, therefore, instructing the Gazetted Audit Section of my office to take up and complete the verification of the entries in the History Sheets from 1-7-1946 up-to-date. HIS HIGHNESS THE MAHARAJA OF MYSORE,

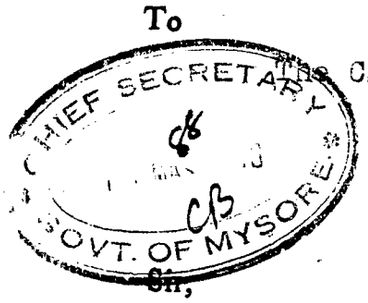
No. 623/GAD. *Bangalore, dated* 9th March *19* 50.

From

Sri. V. T. SREENIVASAN, B.A., B.Sc.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To



The Chief Secretary to the Government of Mysore,
Bangalore.

I do not think such an elaborate & meticulous checking is necy. If the Entries tallies with the printed history book of Gazd. Officers; it would do.

Sir,

Subject: Verification of the entries made in the forms by 120 Officers of the Mysore Civil Service in connection with the new I.A.S. Scheme.

11/3/50

X No. 11843-B, dt 7.3.50

A'

With reference to your letter on the subject referred to above, I have the honour to state as follows:-

1. Apparently, what was intended to be conveyed in my letter No. 53/Spl. dated 28-2-50 has not been appreciated. The fact is that it is really no part of the duties of an Audit Office to verify - entries in numerous documents with the entries in a printed publication unless such verification has to be done in connection with the work of the Audit Department. In the present case, the concerned verification not having any bearing on the work of this department has to be done in the originating office.

2. If it is your intention to convey that because the printed history of Services does not contain full details of pay etc. and the verification of every such detail will have to be done, I wish to point out that Salary Audit Registers have to be destroyed after 15 years while those not so destroyed are not readily available for purposes of verification. It is in order to avoid a verification with old Audit Registers that a history of Services of Gazetted - Officers is printed periodically and made available to all departments of Government for ready reference.

3. I am therefore instructing the Gazetted Audit Section of my Office to return to you all the 120 forms so far received with a

P.T.O.

certificate of verification in respect of the entries subsequent to 1-7-1946 i.e., the date beyond which the entries cannot be verified with the printed history of Services.

In case the entries in respect of each Officer from the commencement of his Service should be done in my Office alone with reference to the printed history of Services, kindly communicate the Orders of Government through the Finance Department. I may, however, state that it may take some weeks to complete the verification as I have no spare staff to be employed on this work.

Yours faithfully,

V. Srinivasan
